## Commissioner for Patents

As stated in the Non-Final Office Action mailed on 09/30/2008, "Applicant's IDS document filed on 06/15/2006 is acknowledged. However, the references were crossed out as none of the references were found in the case, so none were considered." The Examiner has attached the IDS document as considered on 09/24/2008. It is noted that Applicant submitted another IDS on 03/02/2009 and stated in their response "Copies of non-patent literature publications cited in the international search report (ISR) are enclosed herewith." That IDS which included references was considered.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nora M. Rooney whose telephone number is (571) 272-9937. The examiner can normally be reached Monday through Friday from 8:30 am to 5:00 pm. A message may be left on the examiner's voice mail service. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ram Shukla can be reached on (571) 272-0735. The fax number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
